

# OUR LADY'S INTERNATIONAL SCHOOL

THE OLI TIMES | 04 JULY 2026

## NO BAG DAY

*Learning Beyond Books*

*Learning stepped beyond the classroom today as Our Lady's International School celebrated No Bag Day, transforming the campus into a hub of exploration, creativity, teamwork, and laughter. Learners from LKG to Grade 3 enjoyed a day packed with engaging activities that nurtured confidence, communication, problem-solving, and social skills through play-based learning.*

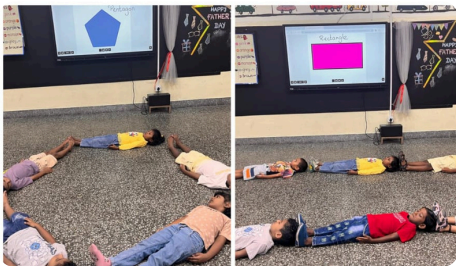

## Adventure Camp (LKG)

Our youngest learners explored a mini campsite, enjoyed a picnic, participated in a nature hunt, planted saplings, and listened to stories under the open sky. The day encouraged independence, curiosity, and a love for nature.

## Fun Learning Through Play (UKG)

UKG learners enjoyed yoga, memory games, action alphabet, shape formation, animal walks, counting games, and imaginative thinking activities that strengthened both body and mind.

# Challenge Zone (Grades 1-3)

The excitement continued with **Dance Challenge**, **Animal Races**, and **Red Light, Green Light**. Learners developed coordination, confidence, self-control, and sportsmanship through energetic play and active participation.

Learners sharpened their minds through **Treasure Hunt**, **Memory Challenge**, **Guess the Animal**, and **Chinese Whisper**. These activities encouraged observation, problem-solving, attentive listening, and teamwork while making learning exciting and meaningful.

The day concluded with a vibrant **Talent Show**, **Hide & Seek**, and **Compliment Circle**, where every learner had the opportunity to showcase their abilities, build friendships, and celebrate one another with kindness and encouragement.

## Today's Highlights

-  Nature Hunt
-  Animal Races
-  Talent Show
-  Treasure Hunt
-  Guess the Animal
-  Team Building Games

## Learning Outcomes

-  Communication
-  Teamwork
-  Creativity
-  Critical Thinking
-  Environmental Awareness
-  Kindness
-  Confidence

# Today's Best Moments
